## Guider Training Program Draws Enthusiastic Response

The St. Albert Division, Girl Guides of Canada, hosted a training program for guiders, commissioners and local association members this past weekend at Sir George Simpson school. Seventy-three guiders registered Friday evening for the two-day program, representing 15 Alberta centres: Bon Accord, Calgary, Coronado, Edmonton, Entwistle, Gibbons, Hinton, Leduc, Morinville, St. Albert, Spruce Grove, Stony Plain, Thorsby, Warburg and Winterburn.

Training continued all day Saturday and until noon on Sunday, under a group of five instructors from Edmonton: Birgith Hedegaard, Vickie Simpson, Mrs. Stalker, Mrs. McCambley and Mrs. F. Reynolds.

The phases of training covered Brown and Blue basic training, Commissioner and Local Association, Camping and pack holiday training. "Guiders Own" was held on Sunday morning, led by Mrs. Garvin and Mrs. Jobe.

Keen enthusiasm was very apparent among the guiders, and the impression created was that the excellent training was enjoyed and appreciated by all.

Lunches and coffee breaks were served by our three local associations, assisted by several lovely girl guides. The highlight of the weekend was the banquet, held in the United Church and convened

by the CWL. Grace was led by Father Levangle, Mrs. M. Brostrom, division commissioner for St. Albert, proposed a toast to the Queen. Guest speaker was Dr. Joan Harper, provincial training commissioner. After dinner Mrs. Hedegaard and Mrs. Simpson led the guides in a campfire sing-song. A most enjoyable evening ended with "Taps" and "Till we meet again."

Those in charge wish to thank the separate school board and the staff at Simpson school for the use of their facilities, the Train-

ers, local association members, girl guides, Mrs. Laird, recreation co-ordinator, and all who helped to make this event such a success.

There are 550 guides and brownies in the St. Albert Division, 60 guiders and eight commissioners. St. Albert has nine brownie packs, six guide companies and two ranger companies. Morinville has one brownie pack and one guide company and Winterburn the same. Division Commissioner is Mrs. M. Brostrom of 34 Geneva Crescent.

## New Bus route now effective

In an interview Monday, Mr. Fred Grimstead of Western Bus Lines said that the new bus schedule, under which all buses will take the same route through St. Albert, was the first route change in the four years since his company purchased the line from Canadian Coachways. The new schedule became effective Monday.

Under the previous routings, when buses alternated to cover Grandin first and then Sturgeon first, there was an intersection considered dangerous. Buses coming out of Sturgeon at Edmonton Road and St. Albert Road had to cross four lanes of traffic. Without traffic lights, this was an increasingly dangerous situation, said Mr. Grimstead.

Pointing out that the bus service requires a maximum of 20 minutes to get to the city, Mr. Grimstead said that the new schedule will be a great improvement.

## Festival welcomes all singers

December 21 has been selected for the Carol Festival in St. Albert this year, which is being organized by the St. Albert Singers. All choirs, choruses and singing groups in the community are invited to take part in the festival. Interested groups should contact Lillian Upright at 599-6997 before the end of November.

The festival will be held in Sir George Simpson school.

The newly-elected officers of Sturgeon Hospital Auxiliary, in pink hospital smocks. From left, Mary Grant, Eleanor Dean, past president Jean Varner presenting new president Mary Campbell with a gavel, Jean's gift to the auxiliary, Pricilla Schafers, Mary Halwa and Isola Durocher.

## Mary Campbell heads Hospital Auxiliary

Mrs. Mary Campbell of St. Albert was elected president of the Sturgeon Hospital Auxiliary at its first annual meeting November 9, attended by 49 members.

Serving on her executive are Eleanor Dean, St. Albert, first vice-president; Pricilla Schafers of Riviere Qui Barre, second vice-president; Mary Halwa, Calahoo, recording secretary; Mary Grant, St. Albert, correspondence secretary; Isola Durocher, St. Albert, treasurer. Lorraine Savole from Villeneuve was returning officer and retiring president, Jean Varner chaired the meeting.

Volunteers Shirley McQuitty and Eileen Gibbon on the phoning committee and Rose Martel on publicity have agreed to serve another term.

The president's report was heard and approved and Mrs. Varner presented a cheque for \$435.48, proceeds of the Tag Day, to

administrator Gordon Townend. The funds will be used for three television sets for solariums. Reports were also presented by Mary Bondarevich in charge of the hospital booth, and Doris Whifton, treasurer. A vote of appreciation was tendered Doreen Pollard, Bernice Deucher and Sylvia Faryna who arranged a hallowe'en party for the patients, and to Mary for her fine work in the booth. Mary Campbell on behalf of the auxiliary presented a gift to Jean Varner, along with thanks and congratulations.

Ingrid Elliott is convening the next auxiliary project, the Christmas bake sale at Safeway, Dec. 5. She has arranged for baking from rural points north of St. Albert to be delivered to Morinville Hardware, Friday, Dec. 4, or before 9:30 Dec. 5, from where it will be delivered to St. Albert.

Three Morinville ladies will convene the annual

spring blossom ball: Rhonda Stapleton, Jeanine Chalifoux and Dorothy Curtis.

Motto adopted by the auxiliary is "The Added Touch."

## Chamber plans gala evening

People of St. Albert and the district are reminded to get their tickets for the annual banquet and dance of the Chamber of Commerce, on Friday, Nov. 27, when a highlight of the evening will be the announcement of this year's Citizen of the Year and presentation of the award.

The gala evening gets underway at 6:30 at the Club Mocombo, and dinner will be served at 7:15. The new president will be installed by Al Hickey, provincial manager, and chairman Jim Oliphant is in charge of the Citizen of the Year presentation. Aside from that the Chamber promises speeches will be saved for another occasion, and this is to be a night of dining and dancing. "The Capris" will be on the bandstand and dress is optional.

Tickets are available at Emery's Pipe Shop or from any member of the Chamber.

## Comets meet Eagles Thursday

St. Albert Comets will have their backs against the wall for tomorrow night's game when they travel to Stony Plain to take on the league leading Eagles. Comets are winless in two starts while Stony Plain has yet to lose. Game time is 8 p.m.

Coach Ron Yanosik feels he has the nucleus to mold

the team into a contender as some new additions look impressive. Due to lack of ice the club has only had one practice and Yanosik has not had a chance to see what some of the newcomers can do.

Comets will also travel to Sherwood Park this Sunday to play the Barons at 8:30 p.m.

Saturday night's banquet was a highlight of the Guider training program held here last weekend. Head table guests from left: Pauline Vaugeois, Father C. Levangle, Trainer Vickie Simpson, Joan Brunner, Mrs. M. Brostrom, Division Commissioner, Dr. Joan Harper, Provincial Training Commissioner, Birgith Hedegaard, Willie Steffiuk and Rose Olsen, convener of the two-day program.

Like a dozen other jobs, when the call goes out for volunteers for laying concrete blocks in the arena, local men show up for work. Maurice Vaugeois, left, Adrian Gamache, Beans Ethier and Jens Jorgensen interrupt their work for a few minutes

## Remembrance Day activity

Citizens of St. Albert joined members of the St. Albert Branch of the Royal Canadian Legion in Remembrance Day ceremonies to observe the day of Remembrance and to honor Canada's fallen in three ways.

Led this year by President Wally Swenarchuk the impressive ceremony at the cenotaph was guided by master of ceremonies Rudy Schirbar, a past president, who also presided at the evening banquet at the Club Mocombo, Over 40 wreaths

were laid by organizations businessmen and individuals

An open house held at the Legion Hall was attended by participants of the parade dignitaries and guests, after

## Joint use meetings

Meetings of the Joint-Use committee and the St. Albert Parks and Recreation Board will be held in the Council Chambers at the Town Hall on Friday, Nov. 20. The committee will meet at 3:30 p.m. and the board at 4:15 p.m.

These meetings are open to the public and anyone interested in the use and development of the recreational facilities in the town is invited to attend.

Presentations may be made by organizations or individuals to the Parks and Recreation Board and should be addressed to the Secretary, St. Albert Parks and Recreation Board, Town Hall, St. Albert.

## Long Life

Asked to what she attributed a long, well and happy life, Mrs. Cherubina Allegro of Naples, aged 108, replied unhesitatingly: "Because I've never taken a drop of medicine in my entire life."

## Kinettes plan Christmas hampers

The St. Albert Kinettes are busy setting up the 1970 Christmas Hamper Bureau. They are hoping to make Christmas a little brighter for approximately 45 families in St. Albert.

This is accomplished each year through the generosity of St. Albert citizens. Gift items, food, and cash donations are necessary to ensure the success of this service.

Grandin Park Cleaners has offered to assist by picking up donations along its regular routes. Please have your contributions ready when the driver-salesman calls for your, or your neighbor's, drycleaning.

Contribution boxes will also be set up at Grandin Park Cleaners, Johnston Meat Enterprises Ltd., and the Curling Rink.

Help fulfil the meaning of the Christmas season and give in whatever way you can.

the ceremony. The evening saw the legionnaires and friends gathering for the traditional dinner and social saying grace and giving the blessing was Pastor R. O. Olsen of the St. Albert Lutheran parish, who also conducted the religious portion of the ceremonial at the Cenotaph.

Greetings were extended by Mayor Gibson and Percy Rossiter of the Alberta Command, Royal Canadian Legion. MIA Keith Everitt was unable to attend.

President Wall Swenarchuk gave the main address in a moving speech to respect the service of Canadians guarding their country from "incurison from without and within."

Mayor Gibson took exception to large business firms staying open on Remembrance Day and called for the day to be declared a statutory holiday.

An unexpected highlight of the evening was the presentation of a cheque by Judy Kendall from the Ladies Auxiliary to president Swenarchuk for a specific project at the Legion premises.

## Museum project gets underway

In conjunction with the Alberta Provincial Government the Town of St. Albert a group of interested citizens gathered at the home of Mr. and Mrs. A. Deschenes on Oct. 29 in an attempt to form a working committee having for a prime purpose the preservation of all records and

artifacts now on display at the museum here.

They were given encouragement and guidance by Mr. Ian Patterson of the Provincial Museum and Archives. He used slides to illustrate correct and effective methods of displaying related articles in a clear and uncluttered manner. Mr. Deschenes agreed to act as chairman and Mrs. W. Borgstede will be co-ordinator.

While the few who attended were volunteers, they were asked to enlist the help of all interested citizens of St. Albert in the project. Phase one will be housecleaning of the interior of the original church and volunteers will be most welcome to assist in setting the wheels in motion.

Two work nights have taken place and members were heartened by the appearance of three young students. Many more are needed to ensure continuity. A constant source of members will be required with training in cabinet work, collecting, cataloguing and labelling in the future years.

If you are truly interested you will acquire training through Mrs. Borgstede Telephone your willingness to serve by calling either Mr. Deschenes at 599-7511 or Mrs Borgstede 599-8601.

## Family Life Series

The third in a Family Life series of meetings on various aspects of communications, will be held tonight, Nov. 18 at the Leo Nickerson school, beginning at 8 p.m.

Mr. and Mrs. Ed Branch will speak on the topic "Communicating as man and woman." Anyone interested is welcome to attend.

Last Thursday Mrs. E. Barnes conducted the second of this series, and spoke on "Communicating goals and values within the family." After her talk, the audience was divided into 10 groups for further discussion of the topic.

The series of four Family Life meetings is being sponsored by the Leo Nickerson PTA.

After a series of disastrous holes, the strictly amateur golfer, in an effort to smother his rage, laughed hollowly and said to his caddy, "This golf is a funny game."

## Bus Route

The Editor:  
Western Bus Lines Ltd., wishes to state the reason for the schedule changes of routing the bus one way through St. Albert.

1) The main reason was for the safety of the operations, as the left turn on the highway leaving Sturgeon has become too difficult and dangerous.

2) The delay in making the left turn makes it difficult to keep on schedule.

3) The office receives many calls asking which direction the bus is going next and therefore we felt that this new schedule would avoid the confusion.

We will consider changing the one way route if traffic signals are installed and if the residents of St. Albert request it.

Western Bus Lines Ltd.

## Hospital Board

### Replies

The Editor:

A few weeks ago a complaint was made against the Sturgeon General Hospital in regard to the waiting time necessary for a child to be treated in the emergency department. I would appreciate the opportunity to utilize the same means to advise the residents of our hospital district of the policy and limitations of our emergency department.

The Sturgeon General Hospital is not an accredited training hospital. This means that we cannot have on staff qualified doctors engaged as staff doctors who would also be involved in a post graduate training program; as all city hospitals have. It further means that we cannot employ and train doctors on an interne basis which would enable the hospital to be medically staffed by a doctor most of the time. The hospital board

of trustees and the administration are working towards recognition as a training hospital as we are acutely aware of our residents' desire to have a medical facility which is as modern and as well staffed as possible, while within the limitations of our budget, and your tax dollar. It is a desire which we on the board share with our residents.

The present policy of handling emergency patients is to have one of St. Albert's local doctors on 24 call on a rotating basis. This facet of the operation is scheduled by the medical staff. When a patient arrives at our emergency department requiring immediate medical treatment a call is made to the doctor on call who should be at the hospital within 15 minutes during the day, and possibly a few more minutes during the night. It is possible and quite likely that when the patient's condition is such that treatment can be given at one of the local clinics, and the patient can be transported with complete safety, he or she will be referred to the clinic of his or her choice. This is only done when the clinics are open during normal office hours. At all other times the patient will be attended at the hospital.

During our first year of operation many policies must be implemented and even changed in order to arrive at the most efficient operation possible. We, the board of trustees would appreciate the co-operation of the residents in the district we serve by advising us of any shortcomings you may feel we can or should correct.

## Parish Bazaar features fun & prizes galore

Two days of fun, games, prizes and bargains are what is planned for the St. Albert Catholic Parish annual bazaar on November 21 and 22. Woven around the theme "The Age of Aquarius" the bazaar has been co-ordinated to appeal to all ages.

A special "Children's Bazaar" on Saturday, Nov. 21, from 2-5 p.m. will feature games of chance, hot dog concessions and booths especially designed for the younger set.

On Sunday at 1:30 p.m. the doors will open to an array of booths displaying aprons, and toys, paper flowers, Christmas decorations, and handicrafts. The bake table and candy booth will provide an opportunity to take home a special treat for the family or stock your freezer. Along with the white elephant booth featuring "next-to-new" items there will be a selection of houseplants for the gardening enthusiasts. The tea room will be serving refreshments all afternoon and will also give you a chance to have your tea cup read.

Saturday and Sunday evenings at 8 there will be cash bingo. On Sunday night drawing of tickets will take place for such prizes as a hand-made quilt, a bridge table and chairs, a swag lamp, car seat covers, a party percolator, and an electric hair setter. Tickets for these prizes will be available both days during the bazaar or from any parish member.

The two days will be climaxed by the crowning of the bazaar queen. Three young girls will be selling tickets on a high-rise bicycle and selection will take place on the basis of the highest number of tickets sold. The candidates include Helen Commandeur, age 18 an outdoor sports-lover, who works part time at the church office, and Elaine McRae, also 18, who is taking first year Arts at the University of Alberta. Elaine, who enjoys music, is the past president of the St. Albert Movers. The third candidate is Pattie Dauphinais, age 19, a second year education student, and a skiing enthusiast.

The St. Albert Parish extends an invitation to all to join the fun Nov. 21 and 22.

the catenoph or displayed in their premises.

Thanks to the organization of secretary Doug Taylor who arranged the distribution of popples and wreaths, and the assistance of the Legion executive and volunteer workers, who supervised the cadets and bused them to their areas, the poppy campaign was more successful than last year. The Legion wishes to extend expressions of thanks and gratitude to the citizens of St. Albert for remembering.

## Teachers Institute here Friday

Schools in St. Albert, the Sturgeon School Division, Legal School District, and Thibault will be closed on Friday, Nov. 20. Over 350 teachers will participate in a one day teachers' institute in St. Albert.

The St. Albert and Sturgeon ATA locals as well as central office staff from the two St. Albert school districts have formed the central planning committee for programs that are scheduled. Several teachers within the school jurisdictions have played leadership roles in planning agendas for their specific subject areas. In total 16 separate workshops will be held in which teachers will be discussing the latest changes within their subject area.

The social studies portion of the institute is being co-ordinated by the department of education under the leadership of D. L. Ledgerwood. He will be assisted by several resource people from the two Edmonton school districts, and Uni-

versity of Alberta, and the department of education, Mr. Ledgerwood's initial presentation at 9 a.m. in the Assembly room at Sir George Simpson Junior high school is entitled, "Alberta's New Social Studies in Grades 1 - XII: An Experience in Living."

## Electric eye helps Blind

An electronic eye, developed by a Polish medical team, enabling blind people to walk down winding corridors without difficulty and even to "read" large letters. The Medical Post reports the invention is basically a photo-electric camera attached to the blind person's head. An image is photographed and registered on a mosaic of sensitive cells, with each point in the mosaic corresponding to a pressure point on the body.

## Legion pleased with Poppy drive

People of St. Albert and community reacted favourably to the Poppy Drive on Saturday, Nov. 7, supporting the Royal Canadian Legion's annual request for funds to boost the Poppy Fund.

Members of the St. Albert Squadron of the Royal Canadian Air Cadets and the Cadets of the Royal Canadian Artillery canvassed the town business sections and surrounding area of St. Albert. The generosity of residents was responsible for \$680.

These proceeds will be used entirely in the St. Albert community to help needy veterans, widows and dependents found to be in want or needy circumstances. Businesses, and organizations also purchased wreaths totalling over 40, to be laid at

## Candidate's viewpoint

Candidate for office of MD  
Sturgeon Council Division 4

FRANK COMEAU

In the past few weeks, I have spent a good deal of time visiting you in Division 4. Your comments and questions were very helpful to me. They made me aware of the changes that you would like to see come about in your area.

These improvements can come about only with hard work and determination. I am willing to work hard to help you get the action you want for the good of the whole division.

I can also promise to "play no favorites," and to treat everyone equally. And should you feel that I am not keeping this promise, kindly make a point of letting me know about it.

Without co-operation we cannot work together effectively.

I would like to mention just one of your suggestions for improvement. There are a good many more, but the following point seems to be of general concern - and for this reason it will have most of my attention if I am elected.

Throughout the entire area of Division 4, people are concerned with ROADS. Many of you are dissatisfied with road maintenance. Roads are perhaps the most vital of services for farmers. They provide the access

## Bon Accord 4H elect officers

Bon Accord 4-H Beef Club held their annual reorganization meeting Wednesday, Oct. 14, 1970. ## Turkey shoot draws large crowd

The Calahoo Sports Association held a turkey shoot and a hot turkey supper afterwards.

The winners of the turkeys at this exciting meet were: 1st - Blackie Quintal, 2nd - Emile Berube; 3rd - Ernie Ripski (Onoway); 4th - Paul Ripski (Onoway); 5th - Randy Quintal, 6th - Edmo Berube; 7th - Errol Quintal; 8th - Black Quintal; 9th - Emile Berube; 10 - Edmo Berube; 11 - Emile Berube; 12 - (ladies round) Pearl Quintal; 13 - Edmo Berube; 14 - Ken Kowrie (Spruce Grove); 15 - Black Quintal (Bow and Arrow); 16 - Darryl Howrie (Spruce Grove) 14 and under; 17 - PeeWee Quintal; 18 - Hector Berube; 19 - Rudy Christen.

Turkeys won at dice table 1st - Russell Letendre; 2nd - Michelle Labonte; 3rd - Russell Letendre and 4th - Mrs. Fred Labonte.

Winners of the Italian Raffle - 1st - Terry Price, Smith; 2nd - Roman Strob-Onoway; 3rd - Eileen Vollmer - Morinville and 4th - Marlene Berube - Calahoo. A large crowd turned out to enjoy the hot turkey supper and all in all it was the end of an event filled day.

After a series of disastrous holes, the strictly amateur golfer, in an effort to smother his rage, laughed hollowly and said to his caddy, "This golf is a funny game." "It's not supposed to be," said the boy gravely.

## Hittinger wins opening spiel

Curling is well underway at the Morinville Curling Club with the opening bonspiel held at the weekend.

Winners of the two event spiel were as follows:

First in the 1st event the Gordon Hittinger rink with Cam Dabond third, Ambrose Ricard, second; and August Kruse lead, they defeated the Barry Edwards rink with Bob Ledger, Arnie Johnson and Ray Duteau.

Second event was won by the Octave Himschoot rink with Raymond Charest, Rolfe Himschoot and Pat Mason lead. Runner-up was the Allen Parks rink, with Art Stapleton, Joanne Kluthe, and Shelly Parks lead.

The square draw is starting this week. There is still room for a few more rinks. Anyone interested in entering a rink phone Mary Hittinger 256-2382 or Ross Yolund 256-3331. The fee is \$25 per person for the year.

## A Liquid Investment

Bulk Scotch whisky is not necessarily a liquid investment - for the short-term and medium term anyway. Aubrey Sugar reports in The Financial Post. Specialized knowledge of Scotch whisky, as well as shrewd purchasing, is necessary because of the wide variety of types and qualities. Advertisements note the rising trend to Scotch whisky consumption but do not mention production, which has increased substantially as well.

# Consider the carrot!

Basically the carrot is a simple, natural product. You can enjoy it raw and crisp. Or consider variations like the "carrot cocktail" of health-food fame . . . or tender young carrots smothered in butter and served with gourmet food. Yes, there's more to the carrot than meets the eye. Just consider the process behind the carrot on your plate - the costs of farm machinery, fertilizer, marketing and distribution. Electricity is a "natural" product too. But bringing its convenience home to you involves construction, maintenance, sophisticated planning and engineering. While the overall cost of living has increased dramatically, the price of electricity is still one of today's best bargains. And finding a bargain these days is pretty difficult! So - when you consider inflation - think about the carrot on your plate - and in the field . . . and about electricity, another "natural" that goes through many stages before it gets to you!

## Local boxers win

GARY LARSEN

Gary Larsen of St. Albert, now fighting out of St. Matthews Club of Edmonton had no trouble with Miles Paton of the R Gym to win the 100 pound junior title in a match held last Friday at the Purple Dude.

The fight card and dinner was promoted by the Independent Boxing Club.

Larsen won all three judges cards.

Domie Wilson also of the St. Albert district knocked out Dale Anderson of Rocky Mountain House in the first round to win the main event. Anderson is the Provincial Golden Gloves and Legion boy champion.

## 600 boys register for hockey

The minor hockey program in St. Albert continues to expand with the announcement that some 560 boys registered last week for the Kinsmen Minor Hockey League.

Chairman, Fred Caulkins said further registrations have swelled the list to almost 600 boys. No more registrations are being accepted as teams of no more than 16 players per team are now being formed.

The reason for this was that some teams last year ended up with 20 or more players and with this large a team some players did not get in as much hockey playing time as they should have.

It is the Kinsmen's hope that all coaches play each boy as regularly as possible to see if a league for them to play can be found. Coaches are still being sought and interested parties are asked to contact Mr. Caulkins at 599-8091.

Enough registrations for a juvenile team were received and arrangements are being made to see if a league for them to play can be found.

Coaches are still being sought and interested parties are asked to contact Mr. Caulkins at 599-8091.

## Notice to Referees

A referee school will be held Nov. 24 and Nov. 26 and Dec. 1 at the Father Jan school gym, beginning at 7 p.m. sharp each evening. All those wishing to referee hockey this year must

take this course. All coaches are also urged to attend. There is no charge involved.

Upon completion an official referee card will be issued. For further information call 599-6849, after 6 p.m.

## Around Town

You can help children with hearing handicaps, see a stunning display of Christmas gifts and decorations and enjoy a good cup of tea all at the same time on Thursday or Friday. The Xi Alpha Chapter of Beta Sig-a Phi is sponsoring the display by Hanratty Flowers and Gifts at the home of Mrs. N. Dragich, 27 Sunnyside Crescent on Thursday evening from 7-10 and Friday afternoon and evening from 2-4 and from 7-10 p.m. Proceeds are in aid of hearing handicapped children.

Bob and Rae Bate attended a Clairol Wig Seminar at the MacDonald Hotel last Thursday. They are happy to announce that Rae is now back at the salon full time, and is in excellent health.

Members of the London Society have two dances in the offing -- their pyjama party dance on Nov. 28 and the annual New Year's Eve ball, both at the Club Mocombo. If Aunt Ethel gave you a very loud pair of pyjamas last Christmas, this may be your opportunity to show them off.

## Oddball uses for washers

There's more to laundromat washers than just stuffing them full of fluffy unmentionables or greasy overalls. Home Goods Retailing, the trade publication for furniture and appliances, tells about the lady in charge of preparing turnips, carrots and potatoes for church suppers who's been cleaning them in her tumble-action washer for

years. Now there's a unit with what they call a "hand wash agitator" that you can wash goldfish in, if you set the washing action lever at "gentle." It'll take up to 15 fish at a time and they seem to enjoy it. More than that, and there's not enough oxygen in the water to go around. Also, it should be water without any fluorides added. Apparently gold fish aren't concerned about tooth decay.

Having received from his tailor a bill and a note reading, "Please remit by return mail - 10th notice," The man replied:

"Dear Sir: I do not remember ordering a suit such as

you mention. If I did order it you certainly never made it for me. If you did make it I never got it. Furthermore, if I got it I must have paid for it. And if I didn't, I can't"

Last week was a very busy one for the community. The graduation exercises for the 1970 Grade XII at Georges Vanier took place on Saturday with 16 successful students taking part.

One of the most popular bachelors of the district, Mr. Ernest Comeau, son of Mr. and Mrs. Moise Comeau of Riviere Qui Barre, joined the ranks of the married last Saturday. His bride is the former Miss Shirley Odenbach of Crooked Creek, in the Peace River block and more recently from Edmonton. The ceremony was performed by Rev. Father Crough in Edmonton. A reception and banquet were later held in the St. Albert Community Hall. Mr. Raymond Comeau was master of ceremonies and the toast to the bride was proposed by the brother of the groom Mr. Frank Comeau.

Last Sunday the Morinville fire brigade was called to the Alexander Reserve when the home of Mr. and Mrs. George Burnstick was burned to the ground. They have five children and were left with nothing but the clothes on their back, following the flash fire.

Morinville lost two elderly citizens last week, Mrs.

Antonio Brisson, 75 years and Mr. Albert Como, 86, a pioneer of the district. To all the members of the bereaved families, a sincere expression of sympathy on behalf of the community.

Congratulations to Mr. and Mrs. Albert Lesburg, RR #1 St. Albert, who celebrated their 25th wedding anniversary last weekend. Following renewal of marriage vows in their local church, a family supper was held for the members of the immediate family, hosted by their children. Later a reception and midnight buffet supper for some 300 guests was held in the St. Albert Community Hall last Friday evening. Mr. Harve Durochers was master of ceremonies. The happy couple were presented with a purse for the purchase of a stereo for their home.

Mr. and Mrs. Jim Kennedy suffered the loss of their first born who was still-born. To the grieving parents a sincere expression of sympathy.

On the hospital list this past week were Miss Donna McDonald, daughter of Mr. and Mrs. Robert Leslie McDonald. Also Renee Young son of Mr. and Mrs. Roland Tailleux; Mrs. Mary Byers of Youville Home formerly of Morinville.

Another group of local hunters left for the Peace River region last weekend for big game; Wilfrid Labonte, Marcel Labonte and Don Bouvier.

Two new businesses are getting underway in Morinville: The E & E Upholstery is temporary located in the back of Calder Agencies on main street. The operators are Victor Bourdage and Ernest Dupuis.

Mr. Norman Meunier, well known businessman is opening a new department at the Meunier Farm Implement building. He is now preparing to open Norm's Paint and Decorating with a full line of Pittsburgh paints and decorating service for Morinville and district. Congratulations to these

young men for investing in their hometown and adding more services to the community.

The Morinville Cub Mothers will hold a bake sale next Saturday, Nov. 21 at the Morinville Legion Hall beginning at 10 a.m. till 4 p.m. Coffee tea and donuts will be served and all proceeds will be used for cub projects. Donations of used comic books and paper backs will be most welcomed as they will be sold during the bake sale. Convener of the bake sale is Mrs. Line Keith, 256-3075.

Mr. Leopold Fromant from Vancouver is visiting relatives and friends in Morinville and district.

A thick sheet of ice covered the entire countryside on Monday morning, following the rainstorm on Sunday evening. Besides bad walking and road conditions, many reports of injured cattle are being received from country points.

Mr. and Mrs. Wayne Hittinger from Lethbridge visited the home of Mrs. Hittinger's parents, Mr. and Mrs. John Cherdarchuk, other relatives and friends in the district last weekend.

The annual meeting of the Morinville Sports Association is scheduled for Thursday evening of this week in the Recreation Centre basement.

## As I See It

By Rose Martel

I am sure I am one of many who enjoyed the well written article by Mrs. Olive Harrold about the Belterose School. The old methods teaching the three 'R's' reading, riting and rithmetic were used in those days to best advantage.

Last Saturday 16 graduates from another district school, Georges P. Vanier, were honored at graduation exercises, with cap and gown, were toasted, wined and dined with school and town officials taking part and paying tribute to their achievement as successful graduates.

As a graduate from the 1929 class, it was a revelation to evaluate the change in procedure to say the least. But . . . I must say, that the goal is the same.

As I see it . . . The 1970 three "R" are revaluation, reconciliation - reconstruction. A complete change in values is taking place in the whole word today, but especially among the youth. They have a great thirst for truth, plain honest truth. They will accept facts, but rebel at the double standards offered at all levels of society today.

The generation gap is a well known expression today, but what is needed to bridge the gap is not more laws but communication, understanding, and a show of compatibility. Most of all, human understanding of the great pressures under which the young students and people of today have to live both at home and at school.

Perhaps the most important of the three "Rs" of today is social reconstruction. Today we must never separate parts of the community. We must think in terms of all the needs of the people, young and old in every part of our district - children, teen-agers and adults alike, regardless of color, ethnic origin or religious affiliation, if any. What is needed are leaders, working the

good of the community at large, without personal gain or ambition, ready to give time and goodwill to construct a new society at the local level.

The teen-ager of today will be the graduate of tomorrow. Each one will be come a citizen with responsibilities both social and moral. How they set their values, in the world of 1970-80-90 in a responsible way or as part of a rebellious crowd, growing under our social system today, will depend on how soon our schools, church groups and civic leaders realize the urgent need for the three "R" or 1970. Revaluation, reconciliation, reconstruction in society today.

## St. Albert High

By Laura Finkbeiner

### SR. HIGH BASKETBALL

On Saturday, Nov. 14 St. Albert High hosted Concordia College in two exhibition games at Vital Grandin.

The St. Albert girls won out 18 - 15 in a closely contested game with Shirley Bokenfohr scoring five points and Carmon Gibeau scoring four points.

The boys lost out to Concordia 44 - 31 as the visitors controlled the back boards with their height advantage. Doug Reinbold with nine points and Don Kennedy with six points led the St. Albert scores.

Last evening Georges Vanier School from Morinville visited St. Albert High school with the St. Albert teams coming away with two

basketball victories. The senior girls won 35 - 6 and as the score indicates, they completely dominated the game.

The boys game was much closer with St. Albert trying to score with just seconds to go in regulation time and eventually winning 46 - 44 in overtime.

### SR. HIGH VOLLEYBALL

Wednesday, 7:30 p.m. at St. Albert high school the big volleyball playoff between Paul Kane and St. Albert high schools to determine which teams will advance to the zone final. Admission to the matches is 35 cents and it is hoped that a large number of spectators will be present to support SAHS. The winning teams will be playing at Fort Saskatchewan this Saturday.

### OPEN HOUSE

Thursday, Nov. 19 open house will be held for the Senior High students and their parents.

A general assembly will be held at 7:30 p.m. at which

time the philosophy and policy of our high school will be explained as well as a rundown on any new courses. Coffee will be served between 8 and 10 p.m. and the

teachers will be available for individual conferences with the parents.

### NO SCHOOL FRIDAY

The students of St. Albert high school will enjoy a

holiday on Friday so that the teachers may have an opportunity to meet and discuss changes in the school program and better ways to implement these changes.

# ALBERTA IN ACTION

## UTILIZING OUR RESOURCES

### Expansion by boosting industry

New industries are launched and lagging business operations are helped to a profitable level through the professional guidance and the financial aid programs of the Alberta Commercial Corporation. The objective of this Crown Corporation is the strengthening of the secondary industry base within the province. To accomplish this, a program of financial assistance and business management counselling is based on the manufacturing level. Specific emphasis is placed on small manufacturing operations. As an assistance program it tends to supplement conventional sources of funds and give guidance where this is not otherwise present.

Through its flexibility, its skilled people and its availability of funds, the program today serves a much broader need than it did when first instituted in the 1930's. It was the first scheme of its kind in Canada.

By actually buying and storing raw or finished inventory, A.C.C. often provides the difference between success or failure to growing operations which get the benefit of savings through bulk buying and avoid holdups for lack of materials. Stockpiling of finished goods is also facilitated.

To promote new installations and encourage expansion, financial aid is also available for equipment as well as land and buildings. The company's affairs are treated in confidence and guidance is given free of charge. The company pays only a moderate rate of interest against funds advanced.

### Sewage control to curb pollution

Among the many necessary measures in narrowing the gap between pollution prevention and control undertaken by the Department of Health, is the active supervision of all municipal sewage collection, treatment, and disposal systems in Alberta. The wide-ranging task-force carrying out anti-pollution work in this particular area is the division of Environmental Health Services. A major milestone is now in view.

Only a few remaining links need finishing to complete a broad network of modern sewage treatment plants throughout the province. The individual jobs, all scheduled for completion early in the coming year, will mean that all municipalities, including every city and town with a sewage system, will have proper treatment facilities installed to help prevent pollution of Alberta rivers and streams. In line with this major program is the responsibility for ensuring that all systems are effectively operated and maintained. A continuing monitoring process is involved. A course for plant operators is conducted by the division, along with voluntary registration and certification of operators. Over 190 communities have had their operators attend the course.

### New anti-pollution moves made

Armed with a broadened operating scope and a hard-nosed attitude reflecting public concern over the effects of pollution on the ecological balance in Alberta, field staff of the Oil and Gas Conservation Board are carrying out a crash program of inspection involving virtually every oil and gas installation in the province. The over-all powers of the Board were increased, early in July of this year, to include control of pollution in field and plant operations of the oil industry.

Acting through regional offices located in four centres throughout the province, the board's supervisory staff are enforcing regulations pertaining to control of air pollution, control of soil and surface water pollution from drilling and production operations, the protection of fresh underground water, and protection from pollution in general from gas processing plants. Established in 1938, the Board's main function is to ensure the maximum oil and gas recovery from pools throughout the province. Area offices are located at Edmonton, Red Deer, Black Diamond, and with head offices at 603 Sixth Avenue S.W., Calgary.

### Crop lures to prevent damage

The Fish and Wildlife Division has completed the first phase of a three-year program to study various lure crop techniques designed to control depredation to cereal crops by waterfowl. This study, the only one of its kind in Canada, was undertaken by the Division after extensive study of crop damage patterns attributed to waterfowl.

Working with the Department of Agriculture, the Federal Government, and Ducks Unlimited, this unique lure crop program is currently confined to the Grande Prairie and Beaverhill Lake areas — directly in the flight path of the migrating birds. By feeding the ducks from prepared field lures and bait stations, a controlled number-and-species count can be made. It is hoped a significant lowering of crop damage will be achieved, as the well-fed birds proceed southbound. At one bait station over 4,000 bushels of barley was spread on the ground.

The Division also has a three-year study program underway in the Cold Lake area, to find out the type and age group of bears doing damage not only to livestock but to beehives. As many as 200 black bears have been collared with tiny transistor radio units and their movements are being traced by air observers. It is hoped that information received from this study may be used in the future to assist in the control of predation caused by black bears.

### Wabamun woods task force target

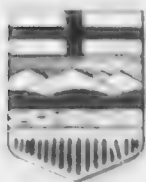

The preservation of Lake Wabamun as a major recreation resource is the objective of a task force appointed by the Conservation and Utilization Committee of the Alberta government. Using the most sophisticated scientific methods, the force is seeking the cause of last summer's increased weed growth in order to recommend methods of control.

The committee is charged with advising on the care of Alberta's environment, including the conservation, management, and utilization of natural resources; prevention and control of their pollution, and their preservation for aesthetic purposes. An inter-departmental committee, its members are drawn from the Alberta Departments of Agriculture, Health, Highways and Transport, Industry and Tourism, Lands and Forests, Mines and Minerals, and Municipal Affairs, as well as from the Oil and Gas Conservation Board. Co-operation among departmental representatives enables the committee to act quickly and decisively to establish programs designed to preserve and protect Alberta's natural resources.

### River basins studied in new approach

By relating water and its use to the total resource base of the province, the Water Resources Division of the Department of Agriculture is today working on two of the most imaginative and comprehensive studies ever undertaken by the government department. The approach is a co-ordinated move, guided by a full inter-departmental committee including all government agencies concerned with both physical and human resources. Outside agencies with specific interests in the projects are also involved.

The over-all studies, made up from many contributing sources and services, are keyed to broad-bounded river basins. Each is programmed to focus squarely on the region's socio-economic needs. A complete inventory is taken of all resources within the watershed. The study further identifies all projects and alternatives needed along the system to meet trends within the specific basin. Input and output data is gathered to determine cost ratios, and an eventual dollar value is attached to developments. The two current studies involve the South Saskatchewan River and the Sturgeon River basins. The concept can be applied to any drainage basin in future development planning.

# Speakers stress children's needs to trustees

The 1970 Alberta School Trustees convention, held at Chateau Lacombe, November 1 - 4, brought forth a number of challenging and thought-provoking ideas. Delegate Sylvia Walsh from the St. Albert public school board, reports on some of the highlights of papers presented to the convention from key speakers:

R. D. GRUENWALD, OUT-GOING PRES. ASTA: "Education should concentrate on values rather than on unimportant matters like pupil-teacher ratios, facilities and textbooks."

"More emphasis is needed in educating young people in the values that give life 'true meaning' and educators should better prepare students for more than just making a living."

"Money should not over-

rule consideration of the human being. The cost of ignoring or postponing our educational needs will be greater than the cost of meeting them when that need is most urgent.

"Little has been done towards early childhood education despite the fact it is generally accepted that the first six years of a child's education are the most important."

"Not everyone who can get through a university tea-

cher training program is suited to be a teacher.

"Teachers should have a one-year internship during their training period."

"Financing school building on a so-many-dollars per square foot basis as is being done presently, is not the answer. There are far too many differentials for this to work."

DR. DAVID MacDOUGALL, SUPERVISOR OF GUIDANCE ESS:

"Drug use is a symptom of deeper social ills and we should concern ourselves with solving these ills, before we can attempt to solve the drug problem."

"Society stresses competition. Many students, unable to compete to the level demanded of them, turn to the drug culture group to attempt to gain some feeling of self-worth."

W. K. KLUFAS, DIRECTOR OF STAFF DEVELOPMENT EPSB:

"An educational ombudsman is needed to humanize and sharpen-up the total educational system."

"An 'ed ombudsman' would give students a better chance to express themselves, involve more parents in the school system, and get teachers to take a critical look at themselves. The total education system from the central office hierarchy to the classroom teacher would know that they are subject to examination of the request of parents or students and would render a more responsive, efficient, and educationally effective service."

"Parents have rights to get information from the school without feeling degraded or without reprisals to the child."

RAYMOND BREWSTER CLARK, PRES. ASTA:

"School systems can't keep up to the pace of a fast-moving society."

"In many rural areas, dents are deprived of vocational and creative opportunities that their city counterparts enjoy."

DR. CONRAD BRINER, PROFESSOR & CHAIRMAN CLAREMONT GRADUATE SCHOOL, CALIFORNIA:

"School boards are guilty of ignoring the public. 'Planned ignorance' is a political tool deliberately exploited by both school boards and professionals."

"There is a serious lack of long-range planning on the part of school boards despite the fact that this is the area in which they should be spending the greatest bulk of their time."

STAN MAERTZ, SEC.-TREAS. ASTA:

"There is a total lack of agreement among teachers, students, administrators, parents and legislators at all levels when it comes to 'who ought to control what' in education. Yet all desire greater decision-making powers."

"The provision of education has all too often become an enormous group effort far removed from the school, the teacher, and the child. Let us never forget it must meet the needs of little girls and boys who are seldom heard or seen."

Retiring Sturgeon Hospital Auxiliary executive are looking at the audited record book. From left to right: Secretary, Mrs. Mary Halwa; President, Mrs. Jean Varner; Treasurer, Mrs. Doris Whitton; 1st Vice-president, Mrs. Doreen Pollard; Hospital Booth Chairman, Mrs. Mary Bondarevich.

## New books in Morinville

There have been many new and interesting additions to the book collection at Morinville Centennial Library recently. Especially for the teen-agers, there are romances, science fiction stories, mystery stories and a few Charlie Browns. One action book which should appeal is "Snowmobiling, the 'in' Thing." All are paper backs which we are told teen-agers prefer. Also in paper back "The History of the English Speaking Peoples" by Sir Winston Churchill in four volumes, and "The History of the Second World War" by Sir Winston in six volumes. These have been requested by several members.

## Vimy girl weds Morinville man

Our Lady of Victory Church in Vimy was the scene of a beautiful fall wedding Nov. 7 when Miss Louise Pelletier became the bride of Mr. Norman Boissonneault. Rev. A. Desjardins performed the triple ring ceremony for the daughter of Mrs. Yolande Pelletier and the late Mr. Henry Pelletier of Vimy and the son of Mr. and Mrs. Hermidas Boissonneault of Morinville.

The lovely bride, given in marriage by her uncle Mr. Louis Laforce, was radiant in a floor length gown of white velvet. The fitted bodice was accented by a wedding ring neckline and falangé cuffs edged in capulet lace. The A-line skirt was enhanced by a cathedral train edged with lace. Her bouffant shoulder length silk illusion veil was held in place by a headpiece of pearls and roses. She carried a cascade of red roses and rosebud streamers.

For those who like history and biography, two recent arrivals widely acclaimed are "Mary Queen of Scots" by Fraser and "Princess Marina her life and times" by King.

There are two newly bound volumes of the National Geographic magazine. Six months in each, unfortunately many copies of 1969 are missing, and we would be most grateful if anyone has any if they would give them to the library.

Library hours are: Monday's 2-5 p.m.; Tuesday - 7-9 p.m.; Wednesday - closed; Thursday 2-5 p.m.; Friday 7-9 p.m.; Saturday 10 a.m. - 12 noon.

Misses A. Pelletier, Ra-Jaeanne Benoit and Stella Boissonneault. They wore floor length gowns of red velvet featuring empire waistlines and A-line skirts. Completing their ensembles were bouquets of red roses. The groom's attendants were Mr. Bernard Meunier, Hermidas Boissonneault and Robert Lapage.

Ushering the guests were Mr. Ray Houle and Mr. Bob Fiddler. Wedding music was played by Mrs. G. Provencal and solos were rendered by Mrs. R. Bulger and Mr. Andre Meunier.

For her daughter's wedding Mrs. Pelletier chose a deep coral two piece ensemble complimented by some accessories and white roses encores.

The groom's mother, Mrs. Boissonneault wore a tangerine and gold brocade ensemble with gold accessories and light tangerine roses formed her corsage.

Following the ceremony a reception and banquet was held at the Morinville Recreation Centre where Mr. W. Provencal was master of ceremonies and Mr. Ray Houle proposed the toast to the bride. The bridal table was centred by a four-tiered wedding cake flanked by white tapers. A wedding dance followed with capacity crowd in attendance.

For a wedding trip to the US the bride donned a two piece suit of navy and white complimented by navy accessories and a corsage of white roses. The happy newlyweds will reside in Morinville.

## Calahoo man weds city girl

A pretty autumn wedding was solemnized at Annunciation Church on 93 Avenue and 163 Street in Edmonton when Miss Valerie Anne, daughter of Mr. and Mrs. Rene Deludder of 16131-96 Ave., pledged her vows to Mr. Arthur Ernest, son of Mr. and Mrs. Ferdinand Lischewski of RR 1 Calahoo, before an altar decorated with two bouquets of white gladiolus with mauve ribbon, (as whole wedding had a mauve theme).

The officiating clergyman was Rev. Father Burns.

Given in marriage by her father the bride looked lovely in her long sleeved formal gown with heavy lace over satin low back, scalloped neckline, puff sleeves with tight cuff at wrist, empire waistline and long train gathered at back with bows and encircled by lace. Her floor length lace veil was held in place by a mantilla headpiece. She wore silver shoes and her bouquet was an arm style arrangement of mauve orchids.

The three bridesmaids, Donna Deludder (sister) and friends, Doreen Pellant and Brenda Savich and flower girl Tracy Theaker wore identical gowns in mauve chiffon over a crepe U-neck with collar, long chiffon sleeves, accompanied by a long lace mauve vest, empire waistline and long velvet mauve ribbon.

The best man were (first) Laurie Kelly of 100 Salisbury Ave., St. Albert's second (cousin to bride) Larry Borle of Rich Valley and third Lloyd Bergstrelser of RR 1 Calahoo and ringbearer five year old Kim De-Rudder (only brother to bride) were dressed identical in black double breasted tuxedos with mauve shirts

that were ruffled in front and on end of sleeve.

The groom also wore a mauve shirt. Ushers for this happy occasion were Gordon Bergstrelser and Marvin Borle and the reception was held at the Victoria Soccer Club on 142 St. and 139 Ave.

The bride's mother wore a pink sleeveless dress with light pink lace coat, navy blue shoes, purse and gloves and wore a mauve corsage. The groom's mother wore a blue dress with white shoes and a white corsage.

The bride's table was decorated with the flowers from the church and a unique style beautiful decorated cake. The three large round cakes formed the base with three more upright held apart by wine glasses. Mauve roses, butterflies and baskets made out of icing, holding bouquets of mauve roses were spaced around bottom layer and on top of cake were two balls with doves holding silver bands accented with mauve ribbon.

Mr. Willie Lischewski of Jasper, Alberta was a very capable master of ceremonies.

When the dance started to the lively music of the Country Pals young Sandra Borle (the groom's niece) stole the show momentarily with her running to the centre of the floor and staging a dance style of her own to the audience's delight. When she realized she was noticed she ran to the side but not missing a beat and soon another niece Leah Bergstrelser joined Sandra.

For her travelling costume the bride chose a pale red pant suit with long half red half navy scarf, navy shoes and pink and white corsage.

Arthur and Valerie travelled south to Drumheller

win and Willie and families and were gone one week to return to their residence in Edmonton.

(Badlands), Calgary, Fort McLeod, Montana National Glacier Park, then to British Columbia and Jasper where they spent two days with Arthur's brothers Er-

Out of town guests were from Camrose, Rich Valley, Jasper, British Columbia and a cousin Mrs. Gloria O'Levia from South Hampton, Conn. USA.

Five new Kinsmen were initiated Nov. 9. Their outfits were part of the fun. From left are John Ochitwa, Ken Irvine, Andy Anderson, Ed Taylor and Rod Jacques. Dave Stewart is seen in the foreground, and Ernie Speake at far left.

## Shenanigans staged for new Kinsmen

Five St. Albert wives received pleasant (?) surprises Monday, Nov. 9, when strangely dressed Kinsmen arrived at their doors and announced they were there for supper. (One was even equipped with a bottle of wine!) After the initial embarrassment, the understanding wives fed the unusually attired Kinsmen and sent them back to their meeting.

Afterwards they found out it was all part of the initiation ceremonies for new members. Later the initiates were blindfolded and attempted to feed each other soft ice cream. Little seemed to find its way to the

eagerly awaiting mouths.

Members initiated were Rod Jacques, Ed Taylor, Andy Anderson, John Ochitwa and Ken Irvine.

The Kinsmen Club is always welcoming new members to its ranks. With its many commitments to the town of St. Albert, plus its money raising projects, the club continually requires new blood and new ideas. St. Albert Kinsmen welcome young men between the ages of 21 and 40 to swell their ranks, take part in initiations, and thence on to all the other activities and fellowship offered by kin.

## Five Kinettes Initiated

The initiation committee had the new initiates acting out a skit "Mrs. Knette and her kids" -- Mrs. Judy Anderson as Mrs. Knette; Mrs. Beryl Shauls as Baby Cuddles; Mrs. Karen McDonald as Charlie Brown; Mrs. June Parry as Linus; and Mrs. June Taylor as Miss Prissy. The girls dressed in appropriate costumes such as diapers, bottles, sleeper, soother etc. giving a hilarious rendition of "Teddy Bear's Picnic." The Kinettes are an auxiliary club to the St. Albert Kinsmen Club, and hold their regular meetings the first Tuesday of each month.

## Card of Thanks

I wish to express my sincere thanks to neighbors, friends and relatives who helped in so many ways during my recent great loss in the sudden death of my beloved wife. I am deeply grateful for expressions of sympathy, spiritual offerings and the many acts of kindness shown to me and to members of my family.

## Albert Como dies at 86

Mr. Albert Como, 86, a pioneer of the district died on Nov. 12 in General Hospital in Edmonton, where he had been a patient for the last three weeks. He had been a resident of Chateau Sturgeon at Legal. Son of the late Mr. and Mrs. Arthur Como, who arrived from the States at the turn of the century, his was a pioneer farming family in the Riviere Qui Barre - Villeneuve area. He married the for-

mer Miss Anna Meunier in Morinville in 1907. They farmed in the Riviere Qui Barre district and in the Winterburn area before moving to Morinville where they made their home for 15 years.

In January, 1967, Mr. and Mrs. Albert Como celebrated their 60th wedding anniversary. They retired to Chateau Sturgeon in Legal four years ago.

Mr. Como is survived by his widow, one daughter, Mrs. Simone Paquette of Picardville, three sons, Ernest of Edmonton; Emile and Robert of Ponoka, 23 grandchildren and 23 great-grandchildren.

Funeral services were held in Morinville on Monday, Nov. 16 with Rev. Father Primeau officiating. Interment followed in the local church cemetery.

## William Boisvert passes

LEGAL - Mr. William Boisvert passed away on Nov. 12 at the age of 77 years. Mr. Boisvert was born in Minnesota, USA in 1893 and came to a homestead in Legal with his parents in 1906. He married Ida Bachand also from Legal in 1918. The couple farmed in the Thorhild district for a number of years where they raised a family of nine.

They moved back to Legal in 1944, and Mr. Boisvert became the International Harvester Implement Dealer in 1945. He sold his business to Mr. Normand Letourneau in 1953.

The couple then retired to Edmonton, to come back

to the Chateau Sturgeon for sometime.

Mr. Boisvert was predeceased by his wife in 1966.

He was in the Immaculata Hospital for a period of time and passed away at the Westlock Auxiliary Hospital. He left to mourn four sons and five daughters. Albert, Burns Lake; Raymond, Prince Rupert; Norman and Leo, Edmonton; Mrs. Annette Hooker, Hay River; Mrs. Olive Vaudan, Egremont; Mrs. Marie Doyle, Vegreville; Mrs. Edna Mercier, Legal; Mrs. Julie Laurensse, Edmonton; 29 grandchildren, four great-grandchildren; four brothers and two sisters, Eugene, Ed-

monton; Paul, St. Paul; Arthur, Cold Lake; Johnny, St. Albert; Mrs. Libby Casavant, Legal; and Mrs. Mina Julien, Prince George.

Funeral services were held at St. Andrew's Church in Edmonton with Robert, Raymond, Marcel, Laurence Boisvert, David Vaudan and Joseph Doyle, pallbearers.

The Boisvert family wishes to express their gratitude and thank everyone for all their kindness and expressions of sympathy, flowers and mass offerings; and to the nurses, staff and Dr. Dumaine at the Immaculata Hospital.

## Flora Brisson passes

MORINVILLE - Funeral services were held on Nov. 13 for Mrs. Flora Ida Brisson, wife of Mr. Antonio Brisson in St. Jean Baptiste Roman Catholic Church with Rev. G. H. Primeau officiating. Interment followed in the Legal church cemetery. Mrs. Brisson died suddenly at her home on Nov. 9.

She leaves her husband in Morinville, one daughter, Mrs. Jeanne DeChamplain of Legal and three sons, Lee of Redwater; Alfred and Roger of Edmonton. Another son, Paul predeceased his mother in 1930. Also 12 grandchildren and six great grandchildren and one sister, Mrs. Edward Bonin, Joliette, PQ.

Born in St. Jacques, PQ, in 1895, Mrs. Brisson came west as a bride in 1915. They stayed first at the home of Mr. and Mrs. Alcide Fromant in Cardiff, before going to Bonnyville district where they opened a homestead and stayed for three years. They returned to Cardiff where Mr. Brisson worked in the mines for one more year.

The family then moved to Morinville where Mr. Brisson joined the track maintenance crew. He became foreman and remained with the CNR until 1945. During this period of time, the family stayed in Legal for five years during which time, one son, Paul, died and was

buried there. In 1946 the family farmed in Egremont and remained there for 15 years.

In 1960, Mr. and Mrs. Brisson retired to Morinville where they purchased a home.

### FAIR WINNER

A Galloway-Charolais cross, shown by Cholach Bros. of Thorhild won first place in the junior yearling class at the Royal Winter Fair, and then was chosen overall class champion. On Saturday this steer won the reserve championship of the entire show, close behind the grand champion Angus steer shown by Wayne Cole of Indiana, USA.

## RECREATION Hi-Lites

Newcomers are very welcome to phone the department of recreation at 599-6601 for information about the recreational programs which go on in St. Albert.

### TABLE TENNIS

Table tennis for boys and girls is held on Tuesday and Friday evenings in the Clubhouse. The 10-12 age group plays from 7-8 p.m. and the 13's and over from 8-9 p.m.

This program, sponsored by the Hercules Sports Association was very popular last year. The tables are there and the bats and balls are supplied. So, boys and girls, come in out of the cold. Even if you've never played table tennis, there's someone there to show you how; it's a good game.

YMCA  
Basketball for boys and girls of 12 years of age and over is held on Tuesdays and Thursdays in St. George Simpson Junior High school from 7:30-9:30 p.m.

On Tuesdays at 7 p.m. there is children's gym (8-12) from 7-8 p.m. and at 8 p.m. boys and girls of 13-15 years are invited to "drop in" at the same school and enjoy group games -

there is no set program.  
**SWIMMING**  
Red Cross Aquatic Leader and instructor courses will be held from Dec. 27-31 in Edmonton. For information, phone Water Safety Service at 429-2671.

## Guides plan Christmas bazaar

The St. Albert Rangers, Girl Guides and Brownies are holding their annual Christmas tea and bazaar on Dec. 12 at the St. Albert Community Hall from 1-5 p.m. Here is your chance to pick up Christmas decorations, Christmas presents, and some delicious home baking.

The local associations in St. Albert are badly in need of guiders uniforms. If you have a guider uniform or any part of a guiders uniform, could you please contact Mrs. E. R. McIlland, 40 Gillian Cres. telephone 599-5197.

## Alcomdale club plans big night

By Beth Petrie

The third business meeting of the Alcomdale Clothing Club was held on Nov. 12 at the home of Mrs. T. Whitson. Fourteen members were present. Diane Falls called the meeting to order and Colleen Harkin read the minutes of the last meeting. It was decided to have demonstrations in one night, this year, and members will compete for the best demonstration. A Christmas Tea was also planned for the same night.

It was decided to have demonstration night and the Christmas Tea on Dec. 28 in the basement of the Independence Church. After dependence Church.

After the meeting was adjourned, Violet Brennis and Beth Petrie gave a sample demonstration on posture.

## Morinville Locals

The Morinville Frontier Days annual meeting was held last week in the Morinville International Building with eight individuals besides members of the committees and executive. Rev. G. H. Primeau was re-elected as manager for another season, with Octave Himschoot and Maurice Schayes re-elected as chairman and vice-chairman. Mrs. Yvette Tellier is the new secretary and Mrs. Yvonne Turgeon as treasurer. The same committee members will head the various departments: Wilfrid Fitzpatrick, Ann Maslyk, Ross Yolland, Peter Gibeault.

Do you want to have a good old fashioned evening of fun? Join the square dancing club now being organized in Morinville, for young and old alike in the district. Meetings every Wednesday evenings from 8:30-11 p.m. Charges 75 cents per person. For more details call Mr. or Mrs. Jerry Ethier

Mr. and Mrs. Russell Steffes from Calgary were weekend visitors at the home of Mr. and Mrs. Clarence Steffes.

## Gibbons shoot

The turkey shoot arranged by the Gibbons Sunday School circle for Oct. 25 was snowed out, so the event was rescheduled for the following Sunday.

Eleven turkeys were awarded to the winning marksmen: Kevin McWhirter, Andrew Hood, Karol Maschmeyer, Walter Chipchar, Lewis Pelletier, David Borth, Jim Shaver, Ken Bowman, Marlin Hoblick, Snip Hoblick and Frank Elliott.

A single shot 22, was raffled off and Calum Briggs of Coronado was the winner.

Having had a successful day, the Circle is planning another shoot next year, and members wish to thank all who helped.

# no hang-ups...

## with an electric dryer

Wet wash is a hang-up. In more ways than one. It's no fun to pin and unpin thousands of clothespins a year. It's no fun to lug hundreds of pounds of wet wash to and from the clothesline.

Break free of your hang-ups. Discover the wonderful convenience of an electric dryer. Gentle electric heat is perfect for permanent-press garments as well as your other clothes.

See your appliance dealer now... and get rid of your hang-ups.
